

ASUS ExpertBook B1 (B1400)

Primed to perform. Configured for your business.

Intel® Core™ i7
Processor

AI noise-canceling
technology

Discrete Graphics

Thunderbolt™ 4
USB-C

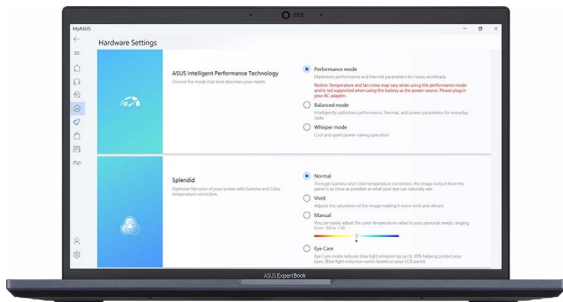

ASUS ExpertBook B1 is tailored for business, making it the smart choice for ambitious startups, established education organizations and growing firms of all sizes. It boasts high performance, military-grade durability and extensive customization to empower your business. It's also engineered to confidently handle whatever tasks come your way, with a full set of I/O ports, speedy WiFi 6 and cutting-edge AI noise-canceling technology. ExpertBook B1 streamlines your workflow to keep you productive.

Windows 11

Improve your focus with a simpler, more intuitive user experience including a centered Start, clean layout, and effortless navigation.

ASUS Intelligence Performance Technology

Exclusive Performance Boost technology achieves the best laptop performance and agility by tuning the internal thermals, delivering the sterling performance needed to get the job done. You can switch effortlessly between Performance, Balanced or Whisper modes — enabling you to get on with business while B1 handles power and performance in any scenario¹.

Performance Mode

Maximizes performance and thermal parameters for heavy workloads.

Balanced Mode

Intelligently optimizes performance, thermal, and power parameters for everyday tasks.

Whisper Mode

Cool and quiet power-saving operation.

Crystal-clear conferencing audio

With the increase of remote work and video conferences, we implemented the ASUS AI noise-canceling technology to ensure the best experience. Innovative ASUS AI noise-canceling technology enables superior calls. The AI Noise-Canceling Speaker feature filters out all ambient noise apart from human speech — so you'll hear what everyone else is saying.

Strong data security and privacy

ExpertBook B1 has a fingerprint sensor² integrated into the power button and an IR camera, so all you need to do to log in is tap button or look at your laptop. Goodbye passwords. Hello, Windows Hello. With the biometric security in Windows Hello your fingerprint replaces the use of a password or PIN to log in, unlock apps, or make in-app purchases.

Extensive connectivity

Support for the latest Thunderbolt™ 4 standard with USB4 and DisplayPort means built-in power delivery, fast charging, display connectivity and extreme-speed data transfers. It also has both USB 3.2 Gen 2 and USB 2.0 Type-A, HDMI 2.0, Ethernet and a microSD card slot.

ASUS ExpertBook B1400

- Up to Intel® Core™ i7 1165G7 processor
- Up NVIDIA® GeForce® MX330 discrete graphics
- Upgradable system memory up to 48 GB
- Storage: Up to 1TB SSD + Up to 2TB HDD
- ASUS AI noise-canceling technology stops unwanted sounds
- 1 x Thunderbolt™ 4.0 (support Power Delivery/Display Port), 2 x USB3.2 Gen2 Type A, 1 x USB 2.0, 1 x HDMI, 1 x RJ45, 1 x Micro SD Card reader, 1 x Kensington Lock, 1 x D-SUB
- Military-grade construction with aluminum-alloy lid
- On touch fingerprint login and optional TPM2.0 for security credentials

1. To enable Performance Mode, please keep the laptop plugged in for the best performance, set the Windows power option as ASUS Recommended Mode, and select Performance Mode in the MyASUS software.
2. Fingerprint sensor is optional.

Immersive NanoEdge display with 84% screen to body ratio

Fingerprint sensor that's integrated into the power button for biometric security

Comprehensive I/O connectivity for a diverse array of business peripherals

Solid construction with Military grade reliability

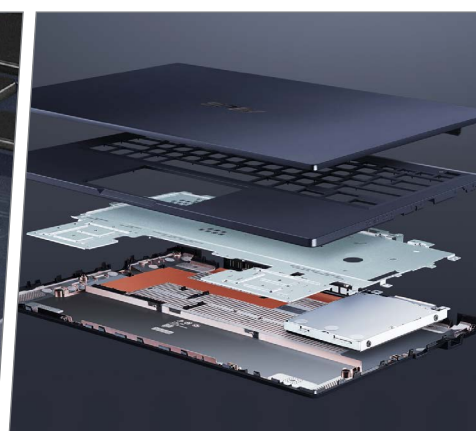

1.5mm long-travel keys provide for tactile, responsive keystrokes

Built-in biometric security, with a fingerprint sensor that's integrated into the power button.

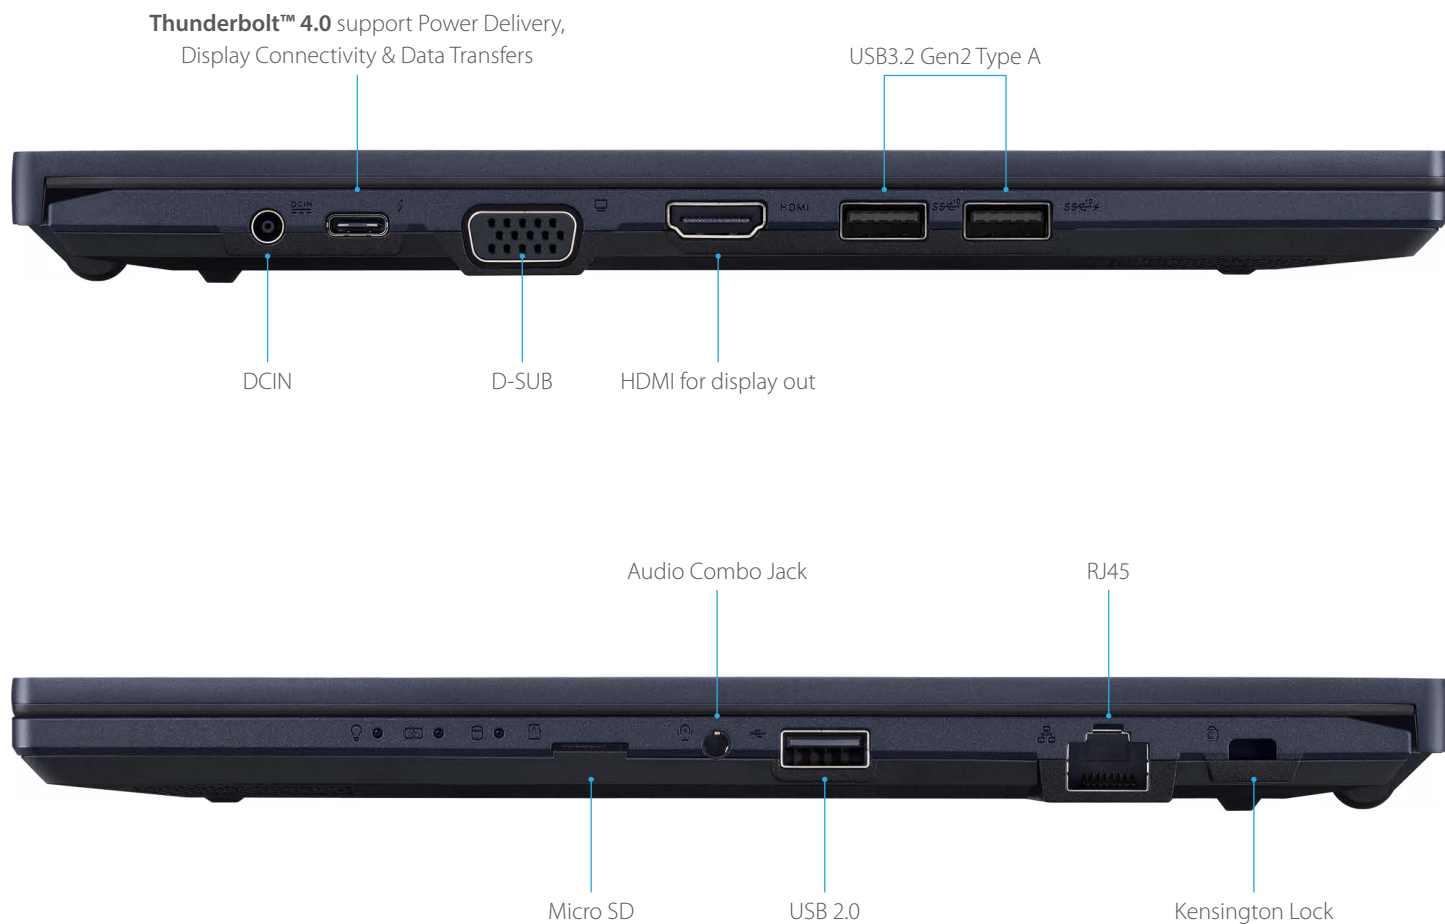

A dTPM chip securely stores authentication information used by software, such as password and importation transactions.

Rock Solid construction with aluminum alloy lid, internal stiff bracing and proactive foam to protect HDD.

OMNI-CONNECTIVITY

Multiple connections ensuring a seamless interface

SPECIFICATIONS | B1400CEAE / B1400CEPE

Model	ASUS ExpertBook B1400CEAE	ASUS ExpertBook B1400CEPEA
CPU	Intel® Core™ i7 1165G7 Processor Intel® Core™ i5 1135G7 Processor Intel® Core™ i3 1115G4 Processor Intel® Pentium 7507 Processor Intel® Celeron 6305 Processor	Intel® Core™ i7 1165G7 Processor Intel® Core™ i5 1135G7 Processor Intel® Core™ i3 1115G4 Processor
